RE: Coral Gables Museum Closed

Dear Coral Gables Museum Members, Guests & Visitors:

In light of the continuing Coronavirus pandemic, the Museum has made the difficult decision to close its galleries until further notice. This difficult decision was taken with the safety and welfare of our guests, staff and community in mind. That is of primary concern and importance to us.

Essential personnel will be onsite for the immediate future as we de-install exhibits. As Miami-Dade schools have been cancelled, we have also cancelled our school tours. Regretfully, we have also cancelled our Spring Camp, as we know that with schools closed this causes an imposition on parents. However, with the latest directive to limit events to groups of ten people or less, it is a difficult decision we had to make.

We are greatly looking forward to reopening to the public as soon as possible, and to your visiting us soon. We will also be posting museum content on our social media. In the meantime, please stay safe! If you should have any questions, or if we may be of any assistance, please do not hesitate to contact us at (305) 603-8067, or at info@coralgablesmuseum.org.

Sincerely,

Christópher B. Spuches
Chairman, Board of Directors

John Allen
Executive Director
