

Art activate: Love you, MOM!

Gift mom a Mother's Day card you can easily make and looks amazing!

Mother's Day Card Template on next page, or your own.
4 tissue papers (red, purple, green and yellow).
1 sheet of brown construction paper (or any color you like).
Scissors and Glue,
Crayons, Color Pencils, or Markers

STEPS:

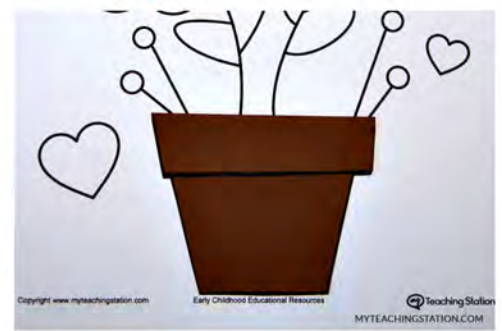

1. Gather your materials.

2. Cut out a shape of the pot from the brown paper.

3. Glue the brown paper onto the template.

4. Color every element with your favorite colors.

5. Cut out several squares of each tissue paper.

6. Add glue to the areas in the template where you will glue the tissue paper.

7. Use the back of a crayon to wrap a piece of the tissue paper and attach it to the template.

8. Surprise mom with a beautiful handmade card made by you

See next page for card template

Happy
Mother's Day
