Snow White *and the Seven Dwarfs*

"Mirror, Mirror on the wall, who's the **fairest** one of all?" says the Queen to the spirit in the mirror. Pretend you have a Magic Mirror like the Queen. Since this mirror tells only the truth, what adjective would you use to describe your reflection? Write or draw your answer in the mirror.

Match the dwarfs' names to their faces. Why do you think they are so different and what do they represent in this story?

3 Create your own dwarf. Imagine a sequel is to be made for Snow White and the Seven Dwarfs called Snow White and the Eight Dwarfs. Since emotions are shown in the face sometimes, pick the set of eyes and mouth that best express your 8th dwarf's mood. Copy from the variety to the left and draw them on your dwarf's face to the right. If easier, cut your selection and glue onto the dwarf's face. Don't forget to color and to name your 8th dwarf.
