5-

2 Peter takes ownership of the responsibility he bears in Bea's unhappiness and the destruction of the family's burrough. How do rabbits apologize to each other? Have you ever felt desperate? In the event you had harmed someone by mistake, what have you done to apologize? Write or draw your answer below

Interesting Facts about PETER RABBIT

Peter Rabbit was designed by Beatrix Potter, who was inspired from her pet rabbit named Peter Piper. In 1893 she knew a boy that was 5 years old named Noel Moore, son of a teacher named Annie Moore. He was very sick so Beatrix wrote him a letter about her pet, which included pictures. This was the beginning of the stories about Peter Rabbit. Let's draw your own Peter Rabbit. Can you think of any other adventure he might hop into?
