JASON and the ARGONAUTS

1

Banished as a baby, Jason is back and ready to claim his rightful throne. In order to prove himself, he is sent on an epic quest to find the Golden Fleece. He assembles a crew of Argonauts and they set sail aboard the Argo for the ultimate adventure. Hera asks Zeus to let her help Jason overcome obstacles during the journey. Zeus allows for Hera to help Jason the same number of times his sister had prayed to her. How many times is that? What other gods come into play in this story?
