Thank you all for contributing to our TMP mission this year!

Club Announcements

The month of June is bringing lots of change for The Museum Project! Firstly, our new board will be taking over beginning the 1st of June and will start implementing **trimester-based hour deadlines** for ALL members. This means that TMP members will be required to meet a minimum of 10 volunteer hours per trimester (every 4 months)!

IMPORTANT: All members who fail to meet this requirement will be removed from TMP's member list, preventing them from participating in future TMP opportunities until reapplication in future years.
