Club Reminders

Our new board has begun implementing **trimester-based hour deadlines** for ALL members. This means that current TMP members will be required to meet a minimum of 10 volunteer hours per trimester (every 4 months)! We are currently in the second trimester of the year, which will end **February 1st**.

IMPORTANT: All members who fail to meet this requirement will be removed from TMP's member list, preventing them from participating in future TMP opportunities until reapplication in future years.

CAS Project Drive Opportunities

Need somewhere to collect materials for your CAS Project? Fill out [this form](#) to provide us with information on what materials would be collected and what organization they will be donated to. If your project is approved by our board, TMP will hold the drive at the Coral Gables museum for you!
